SECTORS

- Environmental Sustainability
- Children, Youth & Women's Empowerment
- Education
- Healthcare
- Entrepreneurship / Skills Development Trainings

ABOUT SYA

Since 1980, SYA has served communities through youth-led voluntary action and grassroots development initiatives. Since its formal transformation in 1992, SYA has been empowering vulnerable communities through sustainable development, strengthening local institutions, and building climate-resilient futures through community participation, grassroots engagement, and technical expertise.

1980 Youth-led voluntary action begins

1992 Formal transformation of SYA

45+ Years of field experience

Our Focus Areas

Aligned with 14 UN Sustainable Development Goals
